Jeannine Greville Dance Academies  
& Theatre College

Jeannine Greville has been established in the Thames Valley for over 50 years, with many thousands of children passing through the doors. Many enrol for a few years, but others are enjoying very successful careers in the West-End, on television, with The Royal Ballet Company, Royal Shakespeare Company and annually in Pantomime. A former pupil was nominated for a prestigious BAFTA award.

We hold classes in nine venues, introducing girls and boys between the ages of two and a half and eighteen years to Ballet, Modern Jazz, Tap, National Dance and Acrobatics. We also offer Drama and Singing in some venues.

We have a Theatre College for those children who show outstanding potential, where the training is more specialised. It is held all day on a Saturday and entry is by twice yearly audition.

At our weekly classes we welcome beginners, who are taught in friendly groups by qualified, experienced and very caring teachers, many of whom are former pupils, who give individual attention to each child. Shy children develop confidence and extroverts have their energies channelled into a disciplined art. Above all, our classes are FUN!

We work closely with a large Theatrical Agency based at the world famous Pinewood Studios. This gives us the opportunity to offer work in Television and Film to any pupil interested in pursuing work in this field.

All prospective pupils are offered a free trial lesson before committing themselves to enrol.
